Possible Chance.
A young man who last month received his diploma has been looking around successfully for a position, employment and a job. Entering an office the other day he asked to see the manager, and while waiting for that gentleman to become disengaged he said to the office boy:
"Do you suppose there is any opening here for a college graduate?"
"Well, here will be," was the reply.

BABY HAD SCALP TROUBLE

Carthage, Texas.—"My little girl had some kind of breaking out on her head that came in white blisters and when the blisters burst they formed some thing like scales. If I washed her head and combed the scales off they would come again in just a few days. The trouble looked something like dandruff but was hard and scaly and when the scales would come off all of the hair came also and would leave the head raw."

"I had tried salves which only softened the scales so I decided to use Cuticura Soap and Ointment. I washed her head with warm water and Cuticura Soap and then applied the Cuticura Ointment and let it remain over night. I used only one box of Cuticura Soap and one bar of Cuticura Soap and her head was well." (Signed) Mrs. Luella Biggs, Jan. 28, 1914.

The Guarantee.
William J. Burns, the famous detective, was talking in New York about the recent dropping of his name from the honorary list of police chiefs. "It is easy," Mr. Burns said, "to read the significance of that action. Its significance is evil. It relates to certain graft exposures on my part. Yes, its significance is as evil as the cloister's guarantee."

"A young fellow went to a clothier to buy a pair of flannel pants. The last pair I got here shrunk," he said. "I was caught in the rain in them and they shrunk something terrible. Do you guarantee that these won't shrink?"

"Young fellow," said the dealer, "I guarantee them up to the hilt. Why, every fire hose in New York to which has squirted on them pants."

Unreasonable.
George Bernard Shaw is one of the few vegetarians who have remained true to the faith, and in a recent letter to a woman, reproaching her for her fight against the acreage when she still ate meat, Mr. Shaw said:
"The lack of logic prevails everywhere. We call the tiger a ferocious and ravenous beast, but what would you ladies be called if, for example, the lamb chop had a voice?"

The Drawback.
"I see where the women abroad are offering to fight at the front, but women will never make soldiers."
"And why not?"
"For one thing, each one would stop in a hot engagement to powder her nose."

DISAPPEARED
Coffee Ails Vanish Before Postum.

It seems almost too good to be true, the way headache, nervousness, insomnia, and many other obscure troubles vanish when coffee is dismissed and Postum used as the regular table beverage.

The reason is clear. Coffee contains a poisonous drug—caffeine—which causes the trouble, but Postum contains only the food elements in choice hard wheat with a little molasses.
A Phila. man grew enthusiastic and wrote as follows:
"Until 18 months ago I used coffee regularly every day and suffered from headache, bitter taste in my mouth, and indigestion; was gloomy and irritable, had variable or absent appetite, loss of flesh, depressed in spirits, etc."
"I attribute these things to coffee, because since I quit it and have drunk Postum I feel better than I had for 20 years, am less susceptible to cold, have gained 20 lbs. and the symptoms have disappeared—vanished before Postum."

Name given by Postum Co., Battle Creek, Mich. Read "The Road to Wellville," in pkgs.

Postum comes in two forms:
Regular Postum—is a soluble powder. 15c and 25c packages.
Instant Postum—is a soluble powder. A teaspoonful dissolves quickly in a cup of hot water and, with cream and sugar, makes a delicious beverage instantly. 30c and 50c tins.
The cost per cup of both kinds is about the same.

"There's a Reason" for Postum.

TRAIN ROLLS DOWN BANK; 26 INJURED

MONTEREY ACCOMMODATION OF TENNESSEE CENTRAL R. R. IS WRECKED.

THE CAUSE IS UNKNOWN

Relief Train Brings Injured to Nashville From Point Between Green Hill and Mt. Juliet—Wreck on Straight Track.

Nashville.—Twenty-six persons were injured when two passenger coaches and the baggage car of the Monterey accommodation on the Tennessee Central railroad, eastbound, jumped the track between Green Hill and Mount Juliet, Tenn. The relief train sent out from Nashville brought the injured to this city. The officials of the road say the cause of the wreck is unknown. It occurred on a straight stretch of track.

Among the injured are William Hull, aged 60, badly injured about back; Mrs. Maud Fisher, aged 26, Nashville, spine twisted, body bruised; Henry Fisher, her son, aged 4, scalp wounds; Mrs. Jones, aged 45, scalp wounds and body bruised.

At least nine of the persons are believed to have been seriously injured. These are:

William Hull of Carthage, Tenn., aged 78, father of Congressman Cordell Hull.

Mrs. W. D. Fisher of Donelson, Tenn.

Mrs. Anne Jones, Trenton, Ky.

Dr. J. I. D. Hinds, Lebanon, Tenn., well-known southern educator.

Thomas Englehardt, merchant, of Nashville.

Bruce Woolard, Lebanon.

W. A. Godwin, aged 22, Nashville, express messenger.

Misses Ruth and Annie Mann, Birmingham, Ala.

The train was traveling at a rate of 25 miles an hour when all except the engine suddenly jumped the track. Joe Barbee, the oldest engineer on the road, had charge of the engine, and he and Fireman Bowen stuck gamely to their engine, bringing it to a stop as soon as possible, thereby, it is believed, preventing loss of life.

Express Messenger Godwin, though internally injured, refused medical assistance and rushed into the overturned cars, rescuing many among them the Misses Mann of Birmingham, who he had to carry from the coach. After the rescue work was finished Mr. Godwin suddenly collapsed and is in a dangerous condition.

Eleven of the injured were taken to a Nashville infirmary. Others were sent to Lebanon and other towns for treatment.

JUDGE BULLOCK BURIED.

Tennessee Jurist Eulogized in Funeral Services—Many Attend.

Jackson.—The remains of Judge Ernest L. Bullock, who died at the Newport Sanitarium, arrived here over the Mobile & Ohio road and were met at the station by a hundred or more of his friends. The remains were then carried to Elks' Hall, where they lay in state throughout the day. At 4 o'clock they were taken to the First Baptist church, where the services were held by the Rev. Dr. R. A. Clark, who paid a high tribute to the deceased as a jurist, statesman and citizen.

Mrs. G. C. Wilkerson and Miss Helena Vandenberg sang "Rock of Ages" and "Lead Kindly Light," while Miss Myrtle Johnson played the accompaniment.

The funeral services were largely attended. The following out-of-town friends were present: Gen. T. C. Rye, John Rison and Judge Lytton of Paris, T. A. Lancaster and Judge N. R. Barham of Lexington, W. K. Abernathy of Selmer. The remains were laid to rest in Riverside Cemetery, the Jackson lodge of Elks conducting ritual services at the grave.

J. W. WARE DIES.

Man Hurt by Train Dies in Hospital at Columbia.

Columbia.—J. W. Ware, the young man from Mt. Pleasant, who lost both of his feet by being run over, died here in the King's Daughters hospital. The surgeons amputated both feet, but the operation was unsuccessful. Ware went to Mt. Pleasant it is said. He returned to the phosphate plant at which he worked, and at a late hour started to his boarding place by the side of the railroad. He was brought to Columbia for an operation, but it was unsuccessful, as he had lost a great quantity of blood.

He was twenty-three years of age and his home was at Allen's Creek.

Negro Arrested.

Nashville.—Joe Benson, colored, was arrested and brought in from Stewart's Ferry Pike on a charge of larceny. Mr. Oscar P. Acree is the prosecutor in the case and claims that Benson has been stealing chickens from him.

Farmers Will Rally.

Selmer.—The seventh annual McNairy County Farmers' Union rally and barbecue will be held at Purdy, the old county site of McNairy county, Wednesday, August 19.

BINGHAM'S SLAYER ESCAPES.

W. C. Webb Sent to Penitentiary for Two Years.

Memphis.—W. C. Webb, under sentence for the murder of Dallas Bingham at Binghamton, has escaped from the state farm, where he has been working out a term for manslaughter. The prison authorities had it in mind to recommend Webb to the governor for parole, and some action would have been taken in his behalf during the present month had he not made his break for liberty.

Webb was sentenced to two years in the state penitentiary before the indeterminate sentence law became operative. However, the law, retroactive, applied to him and the governor could have paroled him after one year.

Webb was sent to the penitentiary from the first division of the criminal court and has served about one year.

Up to the time of his escape he had made a model prisoner and was well liked by prison officials, who were ready to interest themselves in his behalf. He was made a trusty on the state farm. He took advantage of an opportunity and made his escape.

There was considerable diversity of opinion as to Webb's guilt among those who heard the testimony at his trial.

Bingham was killed during a general fusillade while Walter Stewart, town marshal, was attempting to arrest Webb. Bingham and another man were assisting Stewart. Dozens of shots were fired. Bingham was shot down.

Webb insisted until the last that he had not fired the shot which killed Bingham, and there was circumstantial evidence, especially that relative to the positions of the two men and others engaged in the firing, tending to support his contention.

Ed Baxter is working in the prison iron foundry, according to Capt. A. R. Frye, penitentiary agent, who was in Memphis.

Baxter, he said, has given no trouble up to this time.

Capt. Frye left for Nashville with eight prisoners, all of them for comparatively short terms.

PREPARE TO ENTERTAIN.

Memphis Will Give Glad Hand to Merchants.

Memphis.—Memphis is making great preparations to entertain the great Cotton States Merchants' association.

Five thousand of Dixie's business men, merchants of thirteen states, have enrolled in this mammoth new organization.

The convention will open Aug. 18. It will continue for three days. Indications are that there will not be a dull moment during that entire time. Memphis will entertain this convention as she has never entertained a commercial gathering before. A fund that is said to be in the neighborhood of \$25,000 has been raised for the purpose of extending a right royal welcome to the visitors.

The program is replete with fun and frolic. There will be business sessions at which problems of momentous interest to the merchants will be discussed. Notable speakers from all over the nation will deliver addresses. These include several United States senators.

The Business Men's Club will be thrown open to the visitors. East End park, the South's best amusement park, has been chartered, an excursion steamer capable of taking care of 2,000 people has also been leased for the convention.

A barbecue and a Brunswick stew, a baseball game between Nashville and Memphis clubs, trotting and harness races, music by one of the most celebrated bands in the country, including 42 musicians and three soloists and other amusements too numerous to mention have been arranged.

CASE CARRIED OVER.

Alleged Murderer Called to Trial at Trenton.

Trenton.—The case of the State vs. J. A. Alford, who is charged with the murder of W. S. Coulter and his son, Harry Coulter, at the station here last year, was called for hearing in the circuit court here.

On motion by the state the case was continued until the December term of court. It is just one year ago that the killing occurred here, and threw all the town and county into an uproar. Alford was indicted for murder in the first degree in two cases—one of the father and one of the son, Harry.

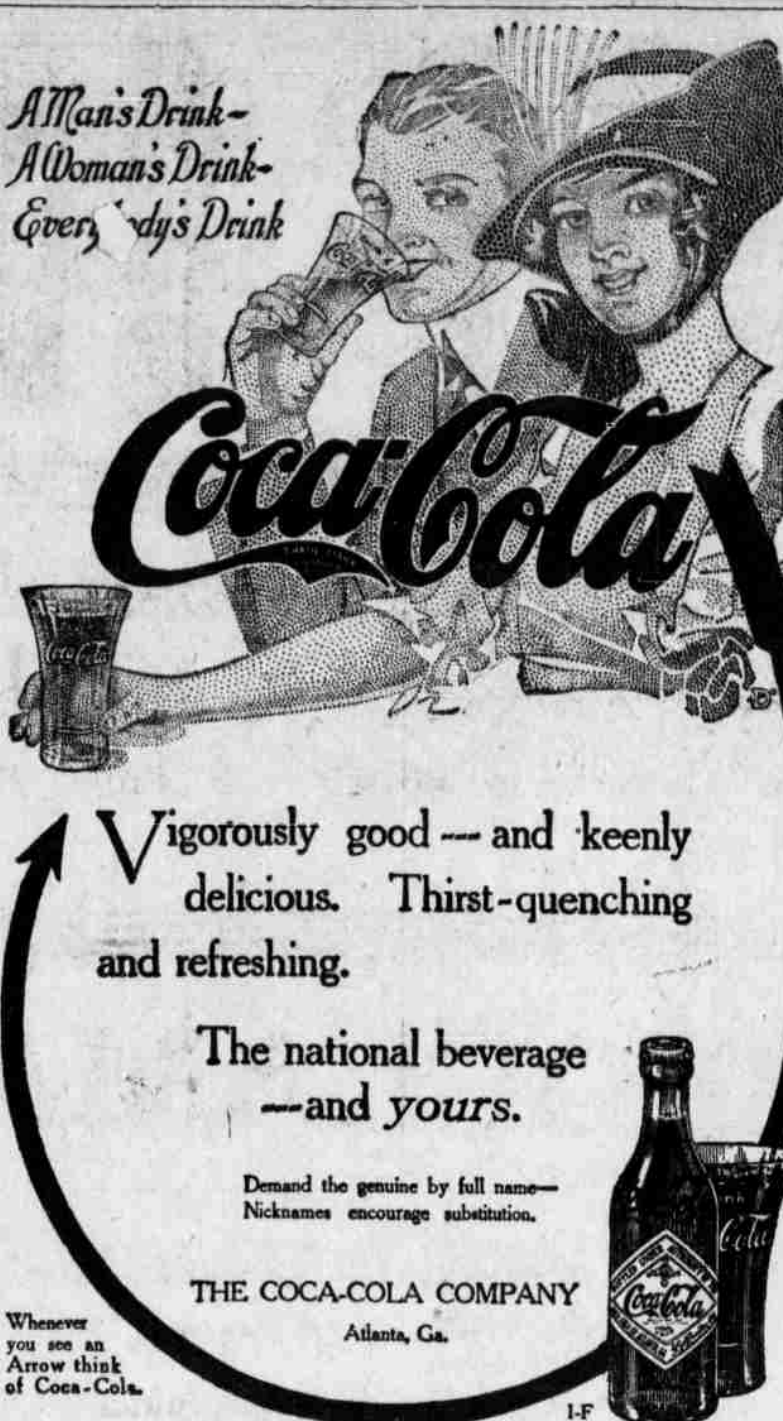

The trial for the murder of the older man came up last December and Alford was acquitted. This was considered to be the best case against him, but the affair is of such nature as to command the interest of practically the entire northern section of the country. The town was filled with witnesses. Considerable interest is shown in the trial.

To Receive Bids.

Chattanooga.—The Hamilton County Bridge commission, in charge of the construction of a bridge over the Tennessee river at Market street, has authorized bids for making soundings for the location of piers for the new bridge.

Selmer.—At a meeting of the executive committee every detail for the big second annual barbecue and field day here at the fair grounds was discussed. L. A. Beatty was selected as master of ceremonies.

Invitation and Answer.

Mr. F. C. Phillips in his book, "My Varied Life," tells how the late Sir George Honeyman, an infamous writer, sent down from the bench to a friend of his, a leading Q. C., a little note. Not able to make head nor tail of it, the barrister scribbled something equally undecipherable upon a half-sheet of notepaper, and passed it up to the judge. Sir George looked annoyed, and when the court rose, said to his friend: "What do you mean by this? I asked you to come and dine with me tonight."

"Yes," said the barrister, "and I replied that I should be extremely glad to do so."

How To Give Quinine To Children
FEBRILINE is the trade-mark name given to an improved Quinine. It is a Tasteless Syrup, pleasant to take and does not disturb the stomach. Children take it and never know it is Quinine. Also especially adapted to adults who cannot take ordinary Quinine. Does not nauseate, nor cause nervousness nor ringing in the head. Try it the next time you need Quinine for any purpose. Ask for genuine original package. The name FEBRILINE is blown in bottle. 25c.

No Menace in Sanatorium.
Dr. Edward L. Trudeau, who built the first tuberculosis sanatorium in the United States in 1885, says:
"When I bought the first land on which the Adirondack Cottage sanatorium is built, I paid \$25 an acre for it, but the price was then thought absurdly high. My last purchase of five acres cost me \$5,000. To my knowledge, there has never been an employee who came to the sanatorium in sound health who developed tuberculosis while there; and a sanatorium can no more endanger the health of the neighborhood in which it is built, even if the residences are at its very gates, than it could if it were placed on top of a high mountain miles away from habitation."

SPUR FARM LANDS

Many farmers are making a hard or doubtful living on high-priced lands in localities cursed with insect pests, or floods, or drought, or weed plagues, or other enemies to successful farming. The end of each year finds time and energy practically wasted—no progress made. Spur Farm Lands offer relief from these conditions. The tenant on the high-priced lands further east can make a payment and be master of his own acres here. Any good farmer can pay for them from the products thereof. The Spur Farm Lands offer productive, virgin lands—easily cultivated—at low prices and on easy terms. Splendid crops are raised without irrigation. No boll weevil ever known here. Altitude 2,000 to 2,600 feet.

Considering the reliable production of these lands, prices are lowest in Texas; new country, settling fast; splendid climate, no malaria, chills or fever; good churches and schools. We offer the homeseeker a wide range for selection and are selling direct—no commission to anyone. The purchaser receives full value in his lands in dealing direct with the owner as opposed to paying a middleman several dollars per acre.

Stock Farms and Small Ranch Tracts.
We also offer fine grazing tracts, perfectly adapted to this purpose—one section to fifty—at prices from \$5.00 per acre up. Free illustrated booklet, giving all particulars, on application to Chas. A. Jones, Manager for S. M. Swenson & Sons, Spur, Dickens County, Texas.—Adv.

Wall Meant.
On one occasion when the king and queen of Great Britain visited together very elaborate preparations were made for their reception. The city was lavishly decorated and one enterprising tradesman, desiring to display his loyalty, had the words, "Heaven bless them both!" outlined in paper flowers across the front of his shop. Unfortunately he forgot to remove a large business sign that was just above.

The result read:
"Ham and beef sandwiches."
"Heaven bless them both!"
